## 10-33 Board of Directors

### **Ryan Padgett, Director of Military Services**

Ryan brings a unique skill set to bear through his widely varied background in both the military and law enforcement communities. Ryan has spent the last 15 years in the military; 12 in the United States Air Force, and the first three in the Army National Guard. In addition to his present assignment with the 621<sup>st</sup> Contingency Response Wing at Travis AFB, CA, he was previously an AWACS computer programmer and a Field Artillery Cannon Fire Direction Specialist in Arizona and Oregon. During his career, he has served in Operations Iraqi Freedom, Enduring Freedom, and New Dawn, as well as humanitarian relief operations for both Hurricane Sandy, and Operation Tomadachi (Fukushima reactor meltdown). He has held positions as Defence Travel System NCOIC, Unit Safety Representative, Unit Public Affairs Rep, Unit Security Manager, and is the active duty mentor recruiter for the 349<sup>th</sup> AMW/60<sup>th</sup> AMW's Operation BOLD, a joint active duty/reserve military leadership and mentorship development program. He is active in his church, currently leads the Travis AFB chapter of the Officer Christian Fellowship. His passion is to bring spiritual care awareness to the forefront of military planning, training, and to the heart of every soldier, sailor, marine, airman and military family member.

In addition to his military experience, Ryan found a passion to serve the law enforcement community in 2010 as a chaplain. He has served 4 years as a law enforcement chaplain with the Law Enforcement Chaplaincy – Sacramento and now current services with the Fairfield Police Department as one of their law enforcement chaplains. His favorite scriptures are 1 Timothy 4:12, John 15:13, and 2 Timothy 2:2.

Most importantly, Ryan's first ministry is to his family. He has been married to his beautiful bride Krisha for 7 years, and is a very proud papa of his daughter Annabelle, who was born in February 2015. He can speak basic Castillan Spanish, and basic American Sign Language. In his rare moments of free time, Ryan is an avid photographer, fly fisherman, scuba diver, and an all-around terrible golfer.
