Sergio Gutierrez, Director of Law Enforcement Service

Sergio started his law enforcement career as a Law Enforcement Specialist in the US Air Force in 1986. He served as a Security Policeman at Travis Air Force Base for three years. Following his military service, he entered into the civilian sector of law enforcement joining the Winters Police Department in 1992 as a reserve police officer. He was subsequently hired as a full-time officer in 1994. Sergio promoted through the ranks from field training officer, sergeant, lieutenant, and finally to chief of police.

Sergio has studied in a variety of leadership and management programs both personally and professionally. He combines his experience, training, and education to mentor his supervisory staff to develop their leadership skills. Sergio has participated in several men's ministry groups and facilitated a men's small group for fathers. Sergio believes it is very important to have a strong ethical standard relying on biblical and godly wisdom for direction and courage to do the right thing. Encouraging others to strive even through adversity is a passion Sergio has to help others believe in themselves to succeed. Two scriptures Sergio shares with others are Romans 5:3-5 and Proverbs 27:17.
