

As the President of the State Capital Area Fire Fighter Associations, I would like to thank the 10-33 Foundation for coming to our 32nd Annual Fire School. I was glad that I had the opportunity to sit through your presentation and look forward to your return next year. I will do my best to promote your presentation because I felt it was very helpful.

***Chief Joe Hawkins***

Chief, Shawnee County Fire District #1, Silver Lake Fire  
President, State Capitol Area Firefighters Association, Kansas
